HIGHLIGHTS

- Take in the rich breathtaking colours of the Island. The greens are deeper, the yellows are brighter. Even the soil is redder, making humble dirt roads look like rolling red carpets.
- Go sailing or hit the trails. Explore the Island's tip-to-tip hiking and biking trails.
- Hit the beach! PEI's beaches are the warmest north of Florida. The sand is so fine it sings when you walk on it.
- When it comes to food, Charlottetown offers everything from steak to sushi. And the lobster is an absolute must! (When in season, of course.)
- Tee off where the PGA pros play. PEI is Canada's number one golf destination.
- Travel back to 1864 — when Canada's forefathers gathered to unite our glorious nation — with an enjoyable and educational guided walk through the beautiful historic streets of Charlottetown.
- Go oyster fishing or try your hand at lobster fishing and experience the Island through the eyes of its locals.
- Named best ice cream in the world, enjoy a cone of COWS ice cream, famous the world over.
- No trip to PEI would be complete without a visit to the home of Anne of Green Gables, the orphaned red-haired girl from Lucy Maud Montgomery's novels.
