

# Baie - Comeau

Surrounded by water, discover the captivating town of Baie-Comeau. Dive into a world of natural beauty, where parks, scenic walking trails, and easy access to pristine waterfront areas beckon you to explore and unwind. It's not without reasons that Baie-Comeau is part of the UNESCO Manicouagan-Uapishka World Biosphere Reserve. Thrill-seekers will find delight in a host of outdoor activities, making Baie-Comeau one of the St. Laurent's premier destinations for adventure enthusiasts. Delve into the town's rich historical tapestry, despite its youthful appearance. Admire the intricate frescoes adorning the walls of the St. Amelia Church, and marvel at the engineering wonders of Québec's hydroelectric dams. Baie-Comeau, a big country with big hearts, promises a unique and unforgettable experience.

## INVESTMENTS

- New administration and new branding.
- New audio guide for guests to discover Place LaSalle (town centre) on their own.
- Emitter-receptor systems for tour insuring great understanding for all guests on tour.
- New souvenirs and artisans' kiosks.
- Development of new tours.

## HIGHLIGHTS

- Part of the UNESCO Manicouagan-Uapishka World Biosphere Reserve.
- Two of the biggest hydroelectric dams in the world (Manic 2 & Manic 5).
- The only known place in the world where Greenland sharks swim in shallow waters.
- St. Amelia Church has five times more frescoes than the Sistine Chapel.
- Three international award-winning distilleries and microbrewery.
- Birthplace of former Prime Minister Brian Mulroney.
- An unbelievable number of historical moments for such a “young town”.
- Breathtaking views right off the ship.
- More than 22 different attractions in a 30 km range.
- A 10-minute shuttle ride from the town centre.
- A 20-minute walk from the pier to the town centre.
- Four berths and tendering installations available.
- Port accessible year-round.
